1. CORRECTION ..... 3

## 1. CORRECTION

There was typographical error in the example on page 10 of the original Request for Proposals Document in section 1.11.6. The following is the corrected text for that section:

- 1.11.6. Example: A Proponent's Composting Facility is located 40KM from the Waste Management Centre.  
The Cost of Transportation will be calculated as follows:

$$(40\text{KM}/30\text{KM}) = 1.334$$

*Annual transportation cost: \$36,000*

*Term: 3 years*

$$\text{Cost of Transportation: } (1.334 \times \$108,000) - \$108,000 = \$36,072$$

*Total Adjusted Cost: The Proponent's Total Estimated Cost will be increased by \$36,072.*

END OF ADDENDUM
