1. CHANGE ..... 3

## 1. CHANGE

- 1.1. In clause 1.10.3., East Hants stated that “the team must contain some individuals with a Certified Commissioning Professional (CCP) and/or Commissioning Process Management Professional Designation (CPMP)”. This requirement was designed to ensure that the teams which responded would have the core competencies necessary to complete this work. We recognise that there may be teams with other qualifications, experience and credentials which will be capable to complete the work in a competent and professional manner. East Hants will therefore rescind the requirement for a CCP and/or CPMP designation and will consider the training, qualification and experience of each team on its own merits.
