1. CLARIFICATION..... 3

1. CLARIFICATION

- 1.1. Waste Management Centre: The cleaning services at the Waste Management Centre are currently provided by an employee of the current contractor who is also an employee of East Hants. Under this arrangement, the employee may not perform janitorial Services during their regular working hours for East Hants. We have no idea if this employee will wish to continue with this practice going forward with either their current employer or if the Contractor were to change.
- 1.2. In Addendum 1 we wrote: "Janitorial services at the Municipal Pool will be carried out daily outside of program hours; program hours are 6:30 AM to 9:30 PM, Monday thru Friday." To be clear, daily means 7 days per week in the context of the pool; only the program hours are limited to Monday through Friday.
