1. QUESTIONS ..... 3

2. CLARIFICATION..... 3

## 1. QUESTIONS

A Proponent asked if we only would only consider pea gravel contained by plastic retainer walls.

East Hants will only consider pea gravel. However, we are open to methods of containing the pea gravel other than plastic retainer walls. Whatever method is proposed, including embedded solutions, the Proponent must describe how they will deal with water in the play area, what the retaining system looks like and what it is comprised of.

East Hants will not accept retainer walls made from milled lumber. We will consider composites of wood.

## 2. CLARIFICATION

A number of Proponents have asked if the budget amount we published includes Harmonized Sales Tax (HST). The amount we published is before HST is applied. The budget is \$24,900.00 plus HST.
