2. STATEMENT OF REQUIREMENTS

2.1. General

The Municipality of East Hants (East Hants) requires a Nova Scotia Environment (NSE) recognized wetland restoration professional (RWRP) to enter into a Letter of Understanding to provide wetland restoration compensation in accordance with Wetland Alteration Approval no. 2017-104998-00 (re: Enfield Transmission Main).
- 2.1.2. In accordance with Wetland Alteration Approval no. 2017-104998-00, the RWRP will provide NSE with a detailed compensation plan for wetland restoration. The total area of compensation is approximately 0.78 hectares or 7,726m². This compensation plan is based upon a signed Letter of Understanding (LOU).
- 2.1.3. The RWRP is solely responsible to implement the compensation plan, including all monitoring and other activities that may be specified in their plan or as identified by NSE.
- 2.1.4. The following link provides information from NSE on the requirements of a suitable compensation plan and letter of understanding: -

<https://www.novascotia.ca/nse/wetland/compensation.asp>
- 2.1.5. In order to be recognized by NSE, wetland restoration professionals must have staff trained in wetland restoration (they must have attended either the Rutgers University Wetland Construction course or the Water Management and Wetland Restoration training course put on by consultants and Trent University in Ontario or Quebec) and must have experience completing wetland restoration projects.

2.2. Available Information

- 2.2.1. The following is a list of documents and other materials that East Hants suggests the Bidder review prior to submitting a Quotation that may be material to the Quotation they are going to provide.
 - Approval for Construction - Wetland Alteration. Approval No. 2017-104998-00
 - Wetland alteration application, prepared by McCallum Environmental Ltd. dated May 30, 2017.

2.3. Delivery or Performance

- 2.3.1. The compensation plan and LOU must be acceptable to NSE and payment will be subject to written confirmation from NSE that these are acceptable. In accordance with Wetland Alteration Approval no. 2017-104998-00, the LOU must be submitted to NSE by January 8th, 2018.

3: TERMS AND CONDITIONS

The primary contract with the Recognized Wetland Restoration Professional (RWRP) will be a Letter of Understanding (LOU) based on the example LOU available here:

<https://www.novascotia.ca/nse/wetland/compensation.asp>

The following Terms and Conditions will apply to any agreement with respect to providing these Services:

The RWRP is identified as the “Third Party Wetland Restoration Professional” in the example LOU. East Hants is identified as the “Proponent” in the LOU.

The RWRP shall comply with all Federal, Provincial and Municipal regulations and other authorities having jurisdiction.

The RWRP will pay all Federal and Provincial Taxes as required by the appropriate enactments.

The RWRP must indicate on their invoice, as a separate amount, the Harmonized Sales Taxes that East Hants is legally obligated to pay. This amount will be included in payments to the RWRP.

East Hants requires that Invoices related to Services:

- Must be supported in such detail as East Hants may request;
- will be reviewed by East Hants for completeness in a timely manner and, if acceptable, will be approved for payment;
- Where there is a discrepancy, error, or other anomaly, East Hants may reject an Invoice, request clarification or additional information, or otherwise require the Invoice to be made acceptable prior to approval. The RWRP will have a duty to make corrections to the Invoice or Services to ensure they are acceptable to East Hants;
- Payment will be made on a net thirty (30) days basis from receipt of an acceptable Invoice;
- No payment made by East Hants will constitute acceptance of work or products that are not in accordance with the requirements of the RWRP’s Quotation or the terms of this document; and
- Registration with the Workers’ Compensation Board of Nova Scotia (WCBNS) is required as a condition of providing these Services; a valid Clearance Letter must be included with the project invoice.

Performance

The RWRP is solely responsible to develop a restoration plan describing the compensation for the wetlands which is acceptable to Nova Scotia Environment (NSE). East Hants will make no payment to the RWRP until the compensation plan and the LOU are accepted by NSE.

NSE has sole discretion over the acceptability of the plan and the performance of the work to implement the planned compensation. East Hants has discretion over the terms of the LOU, but the ultimate acceptance of the LOU is at the discretion of NSE.

The RWRP agrees to perform the Services to a high standard of quality and safety, at minimum to the satisfaction of Nova Scotia Environment (NSE) or their representative. Where the performance of a Service is not satisfactory to NSE, their representative, or East Hants, the RWRP may be required to repair or re-perform the Services (or part thereof) to the satisfaction of NSE, their representative, or East Hants, in accordance with the terms of this agreement

or, in the case of the wetland restoration, the Letter of Understanding (LOU) and the restoration plan accepted by NSE.

The RWRP will provide the results of their monitoring efforts to NSE in a timely manner as specified in their plan.

The cost provided by the RWRP must be inclusive of all costs to develop and implement the restoration plan. The RWRP may not request, and East Hants will not pay, any additional fees or compensation with respect to these Services.

Indemnification

The RWRP shall defend, indemnify and save harmless the Municipality of the District of East Hants its elected officials, officers, employees and agents from and against any and all claims of any nature, actions, causes of action, losses, expenses, fines, costs (including legal costs), interest or damages of every nature and kind whatsoever, including but not limited to bodily injury, sickness, disease or death or to damage to or destruction of tangible property including loss of revenue or incurred expense resulting from disruption of service, arising out of or allegedly attributable to the negligence, acts, errors, omissions, misfeasance, nonfeasance, fraud or willful misconduct of the RWRP, its directors, officers, employees, agents, contractors and subcontractors, or any of them, in connection with or in any way related to the delivery or performance of this agreement. This indemnity shall be in addition to and not in lieu of any insurance to be provided by the RWRP in accordance with this agreement, and shall survive this agreement.

Insurance

Good Standing with the Workers' Compensation Board of Nova Scotia is a requirement of this contract. Failure to obtain or maintain valid coverage, or to obtain or maintain an alternative form of coverage acceptable to East Hants, will make any award of Services null and void.

The RWRP shall, without limiting its obligations or liabilities, maintain Commercial General Liability insurance on an occurrence basis with a minimum limit of \$5,000,000.00 for bodily injury including death, personal injury and property damage including loss of use, and shall include provisions for: Blanket contractual liability; Owners' and contractors' protective liability; Broad form property damage; Hostile fire; Tenant's legal liability; Non-owned automobile liability; Contingent employer's liability; and Products and completed operations liability.

The RWRP must provide a certificate of insurance from their insurer for this coverage. The Certificate, at a minimum, must:

- a. List the Municipality of the District of East Hants as an additional insured and contain both cross-liability and severability of interest clauses;
- b. The RWRP's insurance must provide for bodily injury or property damage that may result from the RWRP's performance of the Services; and
- c. Excess or umbrella insurance may be used to achieve the required insurance limits noted in this section.

The RWRP's insurance must include provisions for contractors' pollution liability (environmental impairment liability) and will include Difference in Conditions, Difference in Limits, products, and completed operations.

The RWRP must have and must maintain automobile insurance in the amount of \$2,000,000.00 for the duration of the agreement and must provide a certificate of insurance confirming this coverage.

The certificate of insurance must provide for 30 days' written notice of cancellation or material change for Commercial General Liability insurance and 15 days written notice in the case of automobile insurance. The RWRP must provide a new certificate of insurance each time the insurance is renewed and for the duration of this contract.

If so required, the RWRP will comply with any requirements which NSE may have with respect to providing proof of insurance.

The RWRP is responsible to have and to maintain insurance on the equipment and materials used to provide the Services for the duration of the agreement. East Hants will not be responsible in any way for lost, damaged or stolen equipment.

In addition:

- a. The RWRP's insurance shall be primary coverage and not additional to and shall not seek contribution from any other insurance policies available to East Hants.
- b. In the case where the RWRP will use subcontractors to perform some or all of the Services, the subcontractor must obtain and, when required to by East Hants, provide proof of insurance coverage equal to that required of the RWRP under this agreement, including requirements to list East Hants as an additional insured.
- c. Failure to maintain the required insurance coverage may be grounds for termination of the agreement;
- d. If a RWRP no longer is in Good Standing with WCBNS, the RWRP must disclose the change in WCB status immediately. Inability to return to Good Standing before the next performance of the Services may result in the termination of the agreement; and
- e. Changes to insurance coverage must be disclosed to East Hants prior to the next performance of Services after the change and the RWRP must provide a revised certificate. The amended coverage must be in accordance with the requirements of this agreement or otherwise acceptable to East Hants.

Termination

East Hants may terminate the Services of the RWRP at any time or for any reason by providing the RWRP with thirty days' written notice. In the event of such termination, East Hants will only be responsible to pay the RWRP for such reasonable administrative costs incurred up to the time the Termination occurs. East Hants will not be responsible, in any way, to pay for any costs associated with the implementation of a restoration plan which is not yet approved by NSE or where the restoration plan, even if approved by NSE, has not been implemented or where the implementation (or part thereof) will not be considered by NSE as compensation in East Hants' favour

Safety

- Perform a hazard assessment;
- Have a plan for addressing all known hazards;
- Post any required warning signs or install any necessary guards or barriers;
