## 1. CAD Drawings

AutoCAD drawing(s) for this project are provided for convenience only, the accuracy or completeness of these drawings are not guaranteed and any use of this information shall be at the users own risk. Should there be any discrepancy between the AutoCAD file and the official project documents, the project documents shall govern. If the attached drawing(s) or any portion thereof is incorporated into design or survey work, those doing this work take full responsibility for the information contained in the drawing(s) or portion thereof.
