## 1. QUESTIONS

The following question has been received by East Hants:

1. Is there available rain gauge data in the Municipality which could be used to calibrate the models? Are there any active flow monitors on the sanitary system?

Answer:

1. There are no Municipally operated rain gauges in East Hants and there are no active flow monitors on the sanitary system, although flow meters have been added to one or two lift stations over the last few years.

Please note the following:
