

# East Hants Solid Waste

## Waste Collection Box/Container Notice

---

The following issues must be addressed to have waste material collected successfully from this waste collection box/container, as per the Solid Waste Resource Collection and Disposal Bylaw IO-400:

- ☐ Collection box in need of repair (must be rodent/animal proof)
  - ☐ Collection box in unsanitary condition- needs to be cleaned of all loose waste material
  - ☐ Collection box too far from roadside- must be located within three (3) meters of the curb
  - ☐ Collection box is deep to collect from
  - ☐ Stinging insect nest present- must be removed
  - ☐ Civic addresses must be posted if multiple households are using the collection box
  - ☐ Garbage and recycling bags must be clearly separated (a built-in divider is required)
  - ☐ Nails or sharp objects protruding from box must be removed
- 

To ensure your collection services continue, please call the Solid Waste Hotline on 1-888-873-3332 to report the issues above have been addressed.
