

Municipality of East Hants
Waste Collection Schedule

This map was updated by the Planning & Development Department in 2018. This information is provided to be used as a guide, with the understanding that it is not guaranteed to be correct or complete, and conclusions drawn from the information are the sole responsibility of the user.

The road and community information on this graphic was supplied by the Nova Scotia Geomatics Centre in Amherst, NS. The road line data was collected by Service Nova Scotia & Municipal Relations, using GPS in 2003 and updated by the Municipality thereafter. Road names originate from the Emergency Measures Organization Master Street Address Guide.
