1. Questions

East Hants has received the following questions (answers in red):

1. Please advise of the scheduled delivery dates of the Pre-Purchased Equipment? Please provide an approximate value of the Pre-Purchased Equipment for insurance purposes (handling, offloading, etc.)?

The Pre-Purchased Equipment should be ready for transport at the end of May/early June and we anticipate that transportation will take around one week. The supplier has agreed to store the Pre-Purchased Equipment for up to 6 months without penalty. The successful bidder will have to liaise with the supplier with respect to delivery.

An approximate value of the Pre-Purchased Equipment is \$1,390,000.
