## 1. QUESTIONS

Would East Hants consider a maximum amount for insurance of \$5 millions instead of the \$6 millions requirement?

The insurance section states:

"The Consultant shall take out and keep in force errors and omissions insurance in the amount of \$3,000,000.00 providing coverage for acts, errors and omissions arising from their services performed under this Agreement. The policy SIR/deductible shall not exceed \$100,000 per claim and if the policy has an aggregate limit, the amount of the aggregate shall be double the required per claim limit."

East Hants will make the following changes to this section with respect to errors and omissions coverage:

Delete Clause 40 of the Sample Agreement and replace with the following.

"The Consultant shall take out and keep in force errors and omissions insurance in the amount of \$3,000,000.00 providing coverage for acts, errors and omissions arising from their services performed under this Agreement. The policy SIR/deductible shall not exceed \$100,000 per claim and if the policy has an aggregate limit, the amount of the aggregate shall be \$5,000,000. The policy shall be underwritten by an insurer licensed to conduct business in the Province of Nova Scotia and acceptable to East Hants. If the policy is to be cancelled or non-renewed for any reason, 90-day notice of said cancellation or non-renewal must be provided to East Hants."
