## 1. QUESTIONS

A Potential bidder asked if this RFQ was for a standing offer (roster). The intent of this RFQ is to identify a single provider who East Hants will use for these Services.

That said, East Hants will not be prevented from obtaining these Services from another supplier in the event that the successful bidder cannot provide the Services needed in a timely manner or does not have the capability to provide specific Services not otherwise identified in the Services description.

The successful bidder will be the one that can provide all of the services specified in the RFP and which demonstrates the best value, in East Hants' sole opinion, relative to the Criteria specified in the RFQ document.
