## QUESTIONS

The RFP instructions indicate that in Section 1.6.24 that the proponent, by submitting a proposal response, will comply with all policies of East Hants. Can these policies be provided for our review.

All Policies may be found at the link below on our public website. In each Policy, the Scope will indicate the applicability; most, but not all, policies apply to how East Hants acts, but this may inform a supplier's behaviours when responding to this Request for Proposals.

For clarity, Supplier Disqualification is Section 7.10 of the Procurement Policy.
