1. QUESTIONS ..... 3

## 1. QUESTIONS

East Hants have received the following question:

1. Just wondering about the fence, nets, and basketball post. Is it possible to have all inserts for these items as this will create a better product, since it is only one lift of asphalt?

The center and end fence lines and the basketball standards will be installed using sleeves and the posts will not be installed into the sleeves until after paving is completed, leaving one end open for the equipment to access the court.
