

### Addendum 4

Released February 5, 2025

#### Notes:

Addendum 3 should have been dated February 5 and has been reissued with the correct date.

#### Questions:

We are hoping you can provide the completion date for this project?

The work is to be completed by April 1, 2025, subject to regulations with respect to compliance with seasonal implications such as the *Migratory Bird Convention Act and Regulations* and Nova Scotia Public Works Spring Weight Restrictions. The Contractor will be responsible for any costs related to bird sweeps if the work is not completed before the nesting restrictions begin.

Question d in the Bid Form asks the Contractor to provide their schedule.
