

PURPOSE

The purpose of the Council Policy for the Municipal Tax Assistance Program (MTAP) is to provide Council, municipal staff and the public with a framework by which MTAP exemptions will be applied for, reviewed and awarded.

The purpose of the policy is to:

1. ensure a framework is in place for consideration of MTAP applications for provision of meaningful property tax relief to low income households throughout the Municipality;
2. outline the requirements of the program while adhering to other policies, bylaws and the *Municipal Government Act (MGA)*;
3. ensure MTAP applications are processed in a timely and effective manner;
4. ensure that all taxpayers are treated fairly and equitably; and,
5. provide staff with guidance for informed and sustainable decision making, consistent with the Municipality's organizational values of excellence and fiscal responsibility.

SCOPE

This policy shall apply to all staff involved in the processing of applications for the Municipal Tax Assistance Program.

POLICY

Council will provide a general tax exemption amount in accordance with Section 69 of the *Municipal Government Act (MGA)*, increasing the base exemption and household taxable income levels by Consumer Price Index (CPI) each year.

This exemption applies to taxpayers in the Municipality whose household taxable income does not exceed the limits set by Council (See Table A). Household taxable income is defined as the total taxable income of all individuals living in the home who are 18 years or older. Taxable income is reported on Line 260 of the Canada Revenue Agency (CRA) *Notice of Assessment* (received after annual income taxes have been filed).

MUNICIPAL TAX ASSISTANCE PROGRAM (MTAP) POLICY

Council Administrative

The Municipality must be provided with proof of household taxable income by way of the *CRA Notice of Assessment* or *CRA Proof of Income Statement* (the name of CRA forms is subject to change from time to time) for all persons 18 years or older living in the home.

Taxpayers must either own or have a life interest in the home as well as live in the home in order to qualify. Only one property per household will receive tax assistance.

The exemption amounts are calculated based on the greater of the base exemption amounts (See Table B) or 20% of the final property tax bill.

The household income and base exemption amounts will be increased by CPI each year.

HOUSEHOLD INCOME

Table A - Household Taxable Income Levels

Household Size	Household Taxable Income (Line 260 - CRA Notice of Assessments)
1 adult	\$19,046
2 adults	\$23,835
1 adult + 1 child	\$36,198
3 persons	\$44,551
4 persons	\$54,018
5 persons	\$61,258
6+ persons	\$69,055

These amounts are increased by CPI each year. CRA Notice of Child Tax Benefit must be presented as proof of any dependent children.

BASE EXEMPTION

Table B - Base Exemption Amounts

Area	F/Y 2018-2019
Base	\$218
Enfield - USR	\$242
Elmsdale - USR	\$242
Lantz - USR	\$242
Milford - USR	\$268
Shubenacadie - USR	\$286

Exemption amounts begin with a Base Exemption and increase proportional to total tax rate, for areas subject to the Urban Service Rate (USR). These amounts are increased by CPI each year.

The exemption amounts are calculated based on the greater of the base exemption amounts (See Table B) or 20% of the final property tax bill.

APPLICATION DEADLINE

The deadline to apply for the MTAP exemption is August 31st each year.

All MTAP applications received are reviewed, approved if conditions are met, and applied as tax credits to the applicable property tax accounts. Every effort is made to process approved applications prior to the issuance of the final tax bill.

At the discretion of the Collection Officer, an exemption may be granted and applied to an account after the deadline.

PRIOR YEAR ADJUSTMENT

At the discretion of the Treasurer, exemptions for prior years may be applied to an account where the taxpayer would have met the criteria for the prior year.

ACCOUNT CREDITS

Where the application of an exemption to a tax payer’s account exceeds the annual taxes owing and in turn would create a credit on the account, the full amount of the exemption would not be applied. If the credit is a result of a payment made on the account, a cheque may be issued at the tax payer’s request, to refund the credit amount.
