2. Other Reimbursable Travel

A Councillor is entitled to submit a travel claim for the following:

- a) Attendance at Council/Committee meetings that are held at a location other than the Municipal offices (Council/Executive, PAC, Operations, Corporate Services, EMO, Fire, PRC) and other public meetings conducted by the Planning department, such as Public Information Sessions and Public Hearings at a location other than Council Chambers.
- b) Attendance at an “agency” meeting to which Council has appointed the member (i.e. Library Board,) but not any subcommittees of these boards to which the councillor themselves have chosen to serve.
- c) Travel associated with attendance at a training seminar approved by Council, FCM or NSFM conference.

3. Transportation

Councillors will be reimbursed travel costs to attend meetings to locations other than the Council chamber at the rate per Km then in effect for committees to which they have been appointed by Council (i.e. Library Board).

Councillors are considered, through their travel allowance, to have been compensated for travel to community events and other meetings/events that they may choose to attend that are of interest to them including sitting on sub-committees on which they have agreed to sit.

Councillors will be compensated for travel to attend NSFM and FCM events if they are approved by Council to attend (subject to policy below).

4. Other Travel Expenses

If travel to an event involves an individual choice between vehicle travel and air or some other form of travel, the Councillor will be reimbursed for the lowest cost option, regardless of the option they have used. The organization may deem it appropriate to have all delegates travel by means other than the lowest cost option. All forms of transportation will be economy class.

Other expenses for which the Councillor will be reimbursed will be determined as they are for staff members. Itemized receipts must support all claims.

For greater clarity, personal expenses will not be reimbursed including but not limited to movies, other entertainment, personal calls, personal products (newspapers, tooth brushes), travel costs not related to the event being attended and alcoholic beverages.

5. Meals

Councillors will be given an allowance for meals during conference/training attendance not to include meals which are provided as part of the registration fee. The allowance will be paid to the Councillor **before** the event occurs and will not require any receipts.

Allowances (including tip) will be paid as follows:

Meal	Rate (per day)
Breakfast	\$13.00
Lunch	\$15.00
Dinner	\$27.00

(This is the maximum allowed under the Income Tax Act without provision of receipts.)

The same rates will be used should a reimbursement of a meal expense be applicable.

6. Accommodation

The Municipality will cover a reasonable cost for accommodations for conferences and other Council approved overnight events. Every effort will be made to keep costs to a minimum considering the circumstances (event venue may define the costs).

Only accommodation costs will be paid by direct bill to the Municipality as prearranged by staff with the venue. No other costs will be able to be charged to the bill.

7. Other Equipment

Each Councillor shall be provided with a municipally owned laptop and printer (if requested), during their term of service to be used for municipal business. The Municipality will pay for each Councillor to have access to the Internet from their homes.

The Warden shall be provided with a municipally owned cell phone during their term as Warden for Municipal use. The Municipality will absorb the capital and operating expense of the cell phone. If the Warden chooses to have a personal cell phone and use it for Municipal purposes there will be a \$30 per month reimbursement made to them. The provision of internet and cell phone reimbursement are taxable benefits.

8. Claims Submission

Staff are authorized to process claims for reimbursement submitted no later than the end of the first week of each month for expenses related to the previous month. Submissions made beyond the end of a fiscal year for prior years will require Council approval to be processed. Councillors are responsible to ensure that their claims are in accordance with this policy and must certify that they are.
