

PURPOSE

The purpose of the Solid Waste Tipping Fee Policy is to:

1. Provide transparency related to fees charged at the East Hants Waste Management Centre; and
2. Provide Institutional, Commercial, and Industrial (IC&I) customers with a schedule that will support their efforts to make informed decisions.

SCOPE

Solid waste fees are applied to all Institutional, Commercial, and Industrial (IC&I) customers, based on the schedule outlined below.

This policy also includes fee schedules for the collection of solid waste, recyclables, and organics from schools within the boundaries of East Hants. This policy does not address the level of taxation on residential properties and small businesses required to support the waste management collection program within the municipality.

The Department of Infrastructure & Operations is responsible for the recommendation of all fees and the delivery of all services related to this policy.

DEFINITIONS

Term	
East Hants Waste Management Centre	EHWMC; Municipally-owned and operated facility located at 1306 Georgefield Road.
Source-Separated Waste	Regular garbage, that is properly separated (no recyclables or organics)
Mixed Waste	Regular garbage that is found with more than 10% (by volume) contamination, such as recyclables, organics, wood, metal.
Source-Separated Construction Materials	Co-mingled construction materials that do not include regular garbage, recyclables or organics. As well this rate would be applied to any construction material the facility provides a segregated drop-off location; such as clean wood.
Mixed Construction Materials	Construction materials refers to a load that contains other materials, such as regular garbage, recyclables, or organics, with more than 10% (by volume).
Organics	Means food waste, leaf & yard waste, branches, and bushes, and other material of plant or animal origin.
Recyclables	Means fibre or container recyclables.

Term	
Gate Fees	Rates applied to those that do not have a pre-authorized account at the EHWMC
Account Fees	Rates applied to those that have a pre-authorized account for the EHWMC
East Hants Commercial and Industrial	Means material produced by a business or industry located and operated within the Municipality of East Hants
Provincial & Federal Customers	Means residential, institutional, commercial, and industrial that is owned, operated, or directly funded by Provincial and/or Federal governments.
Other - External	Means material produced by a residential property, business, industry located and operated outside of the Municipality of East Hants

Construction & Demolition Exemption Protocol

Tipping fees may be waived for Construction & Demolition material if the property being demolished is either a property owned by the Municipality of East Hants or is providing a public service by a registered not-for-profit organization that was using the site for public service that would have normally been managed by the Municipality if that not-for-profit organization did not exist.

Any organization requesting an exemption to Tipping Fees under this protocol must submit a request, in advance of the work taking place, to the Manager of Solid Waste whom will gather the full details and a request for consideration will be presented from the Director of Infrastructure & Operations to the Chief Administrative Officer. Organizations making a request should allow for at least one week for the request to be considered.

Extenuating Circumstance Exemption Protocol

If there is an extenuating circumstance identified that is not captured in this policy and is deemed an infrequent scenario, a request can be made by either the Director of Infrastructure & Operations or through Council to the Chief Administrative Officer to waive a tipping fee charge. The intent of this protocol is to allow for the Municipality to act on unique circumstances if it is deemed to be in the best interest of the Municipality and acting in accordance the Municipalities Core Values.

Dangerous or Unsightly Premises Exemption Protocol

Tipping fees will not be charged to commercial haulers that are hired to clean up or transport material from a property which has been determined, by the Municipality, to be dangerous or unsightly; whether or not an Order of Council has been issued to clean-up the property.

Clean-up orders or directives from Municipal Departments or Council will be provided to the Waste Management Centre upon issuing.

All commercial haulers hired to clean-up or transport material from a property that has been determined to be dangerous or unsightly, must present documentation from the Municipality to Municipal staff at the Waste Management Centre indicating what property the waste has been collected from.

All commercial haulers hired to clean-up a dangerous or unsightly premises are required to follow all waste separation procedures.

Special Event Exemption Protocol

Tipping fees may be waived for Special Event material if the property is either a property owned by the Municipality of East Hants or is providing a public service by a registered not-for-profit organization that was using the site for a special event that would have normally been managed by the Municipality if that not-for-profit organization did not exist.

Any organization requesting an exemption to Tipping Fees under this protocol must submit a request, 30business days in advance of the event taking place, to the Manager of Solid Waste. An application form is available from the Solid Waste Division, and will require details such as: date of event, event type, community

to be served, and a solid waste management plan for the event. The Manager of Solid Waste will gather the full details and a request for consideration will be presented from the Director of Infrastructure & Operations to the Chief Administrative Officer.

Organizations making a request should allow 30 business days for this process.

Organizations that do not complete this exemption process will be charged fees at the Waste Management Centre.
