Volunteer firefighters provide a very valuable service to our communities by answering emergency calls. Like many rural areas, East Hants has a limited number of volunteers in our area at any given time, but especially on week days. During an emergency, a lack of available volunteers leads to longer response times and decreased service. The Municipality of East Hants and the East Hants Fire Service Association would like to recognize those businesses that allow volunteer firefighters to leave work in order to answer calls; or that provide financial support or donations of supplies and/or materials that aid in the delivery of fire and emergency services.

We have identified and confirmed that the following business(es) allow firefighters to leave work to attend emergencies, or arrive at work late following an emergency, within the communities served by

_____:

fire department name

_____	_____
_____	_____
_____	_____

If the business has provided financial support or supplies/materials, please provide a description of the donation:

Submitted by: _____

Fire Chief

Fire Department
