2. Reimbursable Travel

A Councillor is entitled to submit a travel claim for the following:

- a) Attendance at Council/Committee meetings that are held at a location other than the Municipal offices (Council/ Executive, PAC, Operations, Corporate Services, EMO, Fire, PRC) and other public meetings conducted by the Planning department, such as Public Information Sessions and Public Hearings at a location other than Council Chambers.
- b) Attendance at an "agency" meeting to which Council has appointed the member (i.e. Library Board).
- c) Travel to regional events put on by the Province, NSFM, FCM, AMA or another external agency where municipal topics are being discussed. Where multiple events are available throughout the province, it is expected that mileage would only be reimbursed at the distance of the event closest to the home of the Councillor.
- d) Municipal hosted events such as summer and fall Burntcoat Park events, municipal funding announcements, official municipal openings including parks, buildings, and playgrounds, and volunteer recognition.

- e) Public events where a councillor attends in official capacity (official capacity means that Council has appointed the councillor to attend), such as award recognition at school awards and Sport Hall of Fame events.
- f) Remembrance Day events when laying a Municipal wreath.
- g) Where a Councillor wishes to attend an event and be reimbursed travel, where the event is not covered under one of the scenarios above, the Councillor may ask for an eligibility review of the event, to be conducted by the CAO and Warden.

3. Transportation

Councillors will be reimbursed travel costs to attend meetings to locations other than the Council chamber at the rate per kilometer then in effect for committees to which they have been appointed by Council (i.e. Library Board).

Councillors are considered, through their travel allowance, to have been compensated for travel to community events and other meetings/events that they may choose to attend that are of interest to them.

Councillors will be compensated for travel to attend NSFM and FCM events if they are approved by Council to attend (subject to policy below).

4. Other Travel Expense

If travel to an event involves an individual choice between vehicle travel and air or some other form of travel, the Councillor will be reimbursed for the lowest cost option, regardless of the option they have used. The organization may deem it appropriate to have all delegates travel by means other than the lowest cost option. All forms of transportation will be economy class.

Other expenses for which the Councillor will be reimbursed will be determined as they are for staff members. Itemized receipts must support all claims.

For greater clarity, personal expenses will not be reimbursed including but not limited to movies, other entertainment, personal calls, personal products (newspapers, tooth brushes), travel costs not related to the event being attended and alcoholic beverages.

5. Meals

Councillors will be given an allowance for meals during conference/training attendance not to include meals which are provided as part of the registration fee. The allowance will be paid to the Councillor before the event occurs and will not require any receipts.

Allowances (including tip) will be paid as follows:

COUNCIL REMUNERATION & TRAVEL REIMBURSEMENT POLICY

☒ Council ☐ Administrative

Meal	Rate (per day)
Breakfast	\$18.00
Lunch	\$21.00
Dinner	\$30.00

(This is the maximum allowed under the Income Tax Act without provision of receipts.)
The same rates will be used should a reimbursement of a meal expense be applicable.

6. Accommodation

The Municipality will cover a reasonable cost for accommodations for conferences and other Council approved overnight events. Every effort will be made to keep costs to a minimum considering the circumstances (event venue may define the costs).

Only accommodation costs will be paid by direct bill to the Municipality as prearranged by staff with the venue. No other costs will be able to be charged to the bill.

7. Equipment

Each Councillor shall be provided with a municipally owned laptop, monitor, and printer (if requested), during their term of service to be used for municipal business. The Municipality will pay a \$65 monthly allowance (includes HST) for each Councillor to have access to the Internet from their homes. A review of internet costs will be conducted bi-annually.

The Warden shall be provided with a municipally owned cell phone during their term as Warden for Municipal use. The Municipality will absorb the capital and operating expense of the cell phone. If the Warden chooses to have a personal cell phone and use it for Municipal purposes there will be a \$30 per month reimbursement made to them. The provision of internet and cell phone reimbursement are taxable benefits.

8. Claims Submission

Staff are authorized to process claims for reimbursement submitted no later than the end of the first week of each month for expenses related to the previous month. Submissions made beyond the end of a fiscal year for prior years will require Council approval to be processed. Councillors are responsible to ensure that their claims are in accordance with this policy and must certify that they are.

9. Training & Development

Councillors can request training that is relevant to their role through the CAOs office. Where sufficient budget exists, the CAO may approve the training opportunity. Travel will be paid in accordance with this Policy. The CAO may refer the approval to Council if they deem it necessary.
