EAST HANTS

Subject Property

- Applicant: E.L.T. Property Holdings Ltd.
- Location: 51 Old Enfield Road (PID 45118221) and PID 45078748.
- Subject Property Size: 1.13 ha (2.8 acres).
- Proposal: To amend the Municipal Planning Strategy and Land Use Bylaw by changing the Generalized Future Land Use Designation from Village Core (VC) to Medium Density Residential Neighbourhood (MR) and to rezone the same from Village Core (VC) to Multiple Unit Residential (R3) Zone.

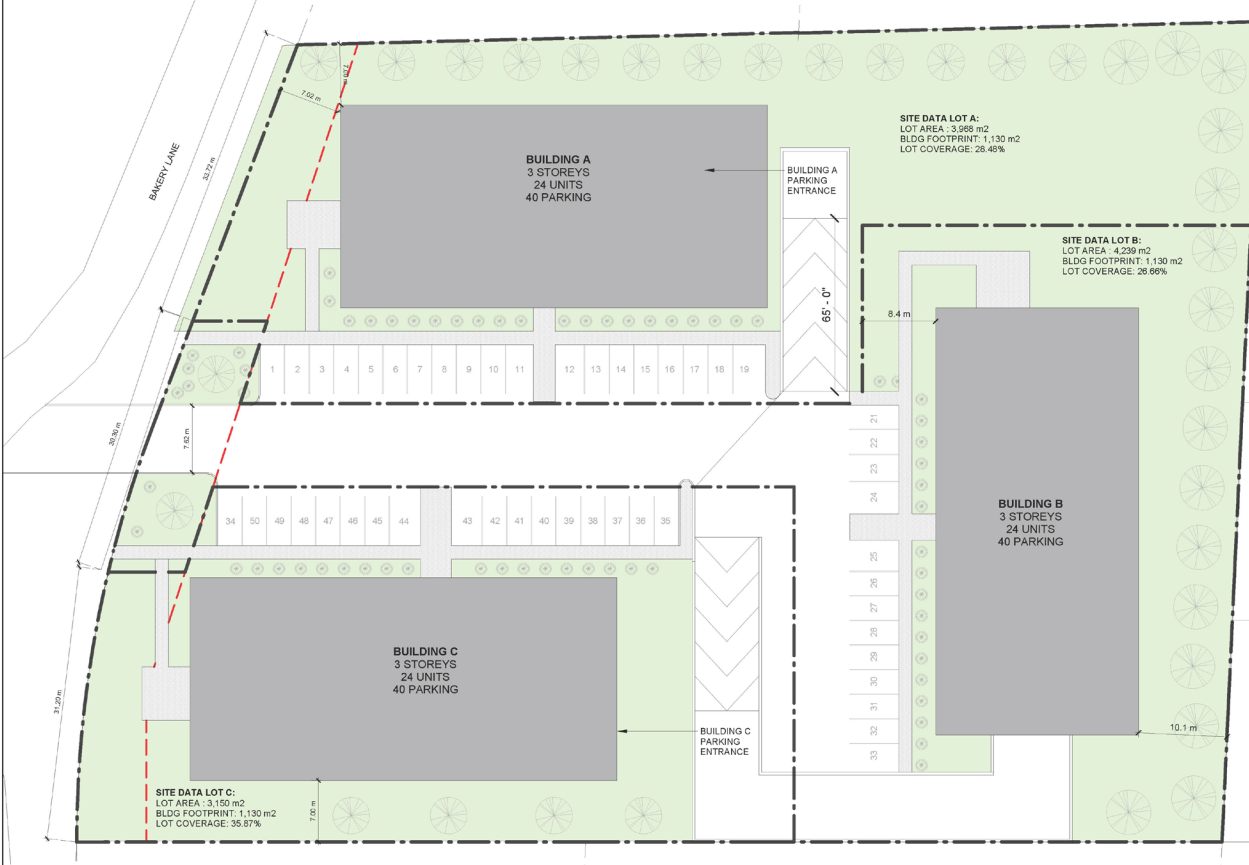

Development Proposal

- The purpose of this application is to allow for the development of three, 24-unit multiplexes.
- The property owner currently has site plan approval on the subject lands that permit the development of six, 12-unit apartment buildings, with each building on its own lot, with a zero lot line between every two buildings. Both the approved and the proposed application have a total of 72 dwelling units.
- If the MPS and LUB mapping application is approved, the applicant does not have to develop the site as shown on the concept plan.
- However, the applicant would be restricted by the size and frontage of the land and by requirements of the Land Use Bylaw.
- Three lots could be created with a maximum of 24-dwelling units on each lot.
- The applicant would also have to be compliant with other LUB regulations such as amenity space requirements, buffering, design requirements, and parking requirements
