# Inclusion Lessons

Inclusion lessons are for children who require extra support to participate in lessons.

We are currently offering two methods of Inclusion lessons:

- 1. One-on-one private lessons
- 2. Group lessons with an additional support staff

One-on-one private lessons will take place in the Lap Pool or Leisure Pool as space permits. Group lessons are assigned an additional support staff to assist your child throughout the class. If needed, the support staff can take your child one-on-one for a few moments and re-join the group when they're ready.

Those interested in registering for Inclusion lessons are required to apply. **Applications for Inclusion lessons will open on June 4 at 12:00 p.m.** online, in-person, or over the phone at 902-758-3467. We can accept the first twenty applicants. If you're seeking a private inclusive lesson, please indicate preferred times on the intake form. Once your application is submitted, our staff will be in touch regarding program placement.

**Please note:** Inclusion spots are not guaranteed and space is limited. The Municipality will make every effort to accommodate as many requests as possible based on available resources. Applications will be reviewed on an on-going basis. Waitlists will be available if all spaces fill.
