QUESTIONS FROM PREVIOUS COUNCIL MEETINGS

Coun. HEBB inquired about clearance rates.

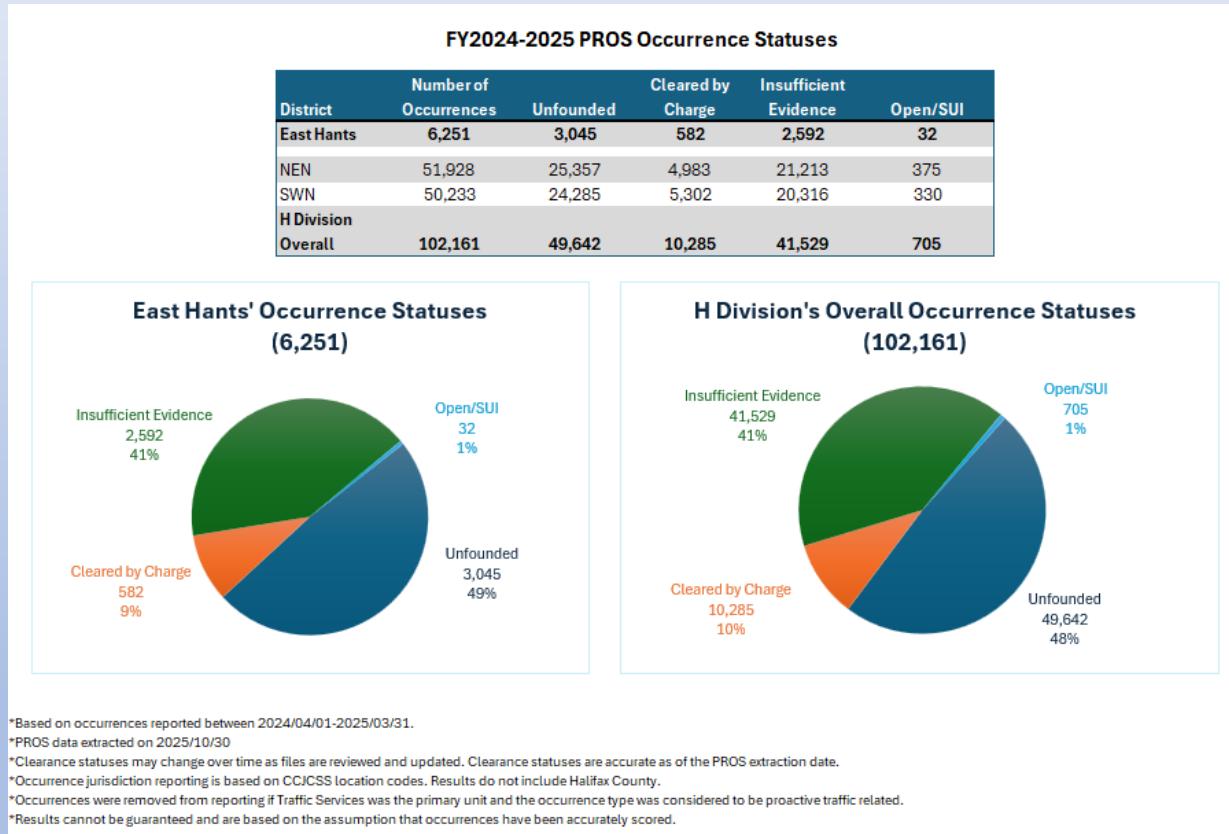

There are several ways a file can be cleared and closed:

- Cleared by Charge/Charge Recommended
- Complete – Solved (Non-Criminal)
- Charges Recommended but All Declined by Crown
- Victim/Complainant Declines to Proceed
- Unfounded
- Insufficient Evidence
- Open/Still Under Investigation (While file is still under investigation, charges before the courts)

Files can be cleared in several ways, and the majority of files are not criminal in nature (e.g. well-being checks, mental health assistance, sudden deaths, assistance to the general public and other agencies) and do not merit or result in charges.
