ROAD SAFETY

East Hants RCMP took three impaired drivers off the road recently.

On Halloween night, one male was arrested after he drove his vehicle into a ditch and then abandoned it in a residential area in Elmsdale. RCMP members attended the scene and located the male inside a nearby home. The male was charged with impaired operation and released.

A second male was charged with impaired operation after a report of a disturbance at Shooters Bar in Enfield. When members attended, they located a male in a vehicle outside a local pizza parlour. A roadside screening test was administered at the scene and the driver blew a 'fail.' He received a seven-day suspension and his vehicle was towed.

An off-duty HRP member was instrumental in removing an impaired driver from the roads. The HRP officer reported seeing a male sitting in a vehicle outside a farm market in Elmsdale drinking from an alcoholic beverage container. The male driver was approached by the officer and sped off in an attempt to get away. Members attended the suspect's residence and found him behind the wheel. The driver was arrested and charged with impaired operation.
