RE: **Accessibility Advisory Committee Report to Council**

The Committee held its regular meeting on May 5, 2021 online via Zoom. The following motion is coming forward as a result of the meeting.

1. APPROVAL OF ACCESSIBILITY PLAN

The final draft of the accessibility plan was reviewed. It was noted that there has been considerable community engagement on the development of the plan. In February, March and April requests for comments on the final draft of the plan were sent out via email, letters and on social media. The Manager of Planning reviewed the comments received with the committee and indicated the plan will be updated with action items related to comments made.

The Accessibility Advisory Committee recommends to Council that Council approve and adopt the Accessibility Plan - Accessible East Hants.

As Chair of the Committee, I so move.

As Chair of the Committee, I move the adoption of this report.
