Subject: Regarding Approval for Provincial Grant

To Adam Clarkson,

The East Hants Sportsplex has received a provincial grant of \$28,000 towards replacement of screw compressors 2 and 3 scheduled to be completed for the summer of 2021. This is contingent on proof of entire project funding by May 30th, 2021. This project was outlined in Schedule B provided to council in November of 2020.

We are formally requesting the additional funding from the Municipality in the amount of \$92,000 , which is needed to ensure the provincial grant is funded. Bringing the anticipated total cost of the compressor project to \$120 000.00.

Thank you for your consideration.

Sincerely,

William Falkenberg
President
East Hants Arena Association
