Re: Request to meet with Corridor Councillors

Mr. MacNeil:

In January 2021 Council reviewed the request from the Curling Association to meet with the Corridor Councillors. At that meeting, Council expressed concerns with COVID-19 meeting limitations and gathering limits and agreed to reconsider the request in six months. A follow up letter was provided to the Curling Association on February 1, 2021.

At the Regular Meeting of Council on July 23, 2021, the request to meet with the corridor Councillors was brought back for decision. As a result of that discussion, Council would like to invite the Curling Association to present to Council Committee at their September 21 meeting. The Assistant Municipal Clerk Sheralee Mitchell-MacEwan will follow up to confirm meeting details and coordination of any presentation materials.

Council also requested staff to provide an update to the Curling Association on the transition of ownership and new operating model for the East Hants Sportsplex. If there is any additional information you would like to add as a follow up to our conversation on July 29, please do not hesitate to ask.

Happy to chat further.

Sincerely,

Adam Clarkson
Director of Parks, Recreation and Culture
