Subject: Dr. James Snow Bursary

Dear Alana,

I wanted to reach out to you about the very generous bursary I was awarded from you. The extra money towards my education was very much needed, and to say I am thankful for your help is an understatement. This coming fall I will head to Antigonish to take a bachelor of Arts and Science in Health. I am super excited for this new chapter in life! Thank you so much for helping me on my journey.

Emma Oakley
