Dear Warden: Eleanor Roulston and council,

The All-Terrain Vehicle association of Nova Scotia is pleased to provide this letter of support for the municipality of East Hants acquiring the former D.A.R. railroad corridor for future recreation purposes from Maitland to Muntua. We believe this will be a valuable asset and a substantial addition to the recreational opportunities in your municipality.

ATVANS and our member clubs work closely with municipal units to help develop and maintain thousands of kilometers of trail across Nova Scotia. We look forward to supporting East Hants as they move forward with this worthwhile project.

Should you wish to meet with us or our local clubs to see how we can work together to develop and maintain a sustainable trail network for East Hants please feel free to contact me.

Yours truly,

Barry Barnett

Executive Director
