VIA EMAIL: eroulston@easthants.ca

Dear Warden Roulston:

Thank you for your recent request for funding under the Flood Risk Infrastructure Investment Program for the Fundy Shoreline Vulnerability Study.

I am pleased to advise that the Department of Municipal Affairs and Housing will contribute 50% of the eligible costs, up to a maximum contribution of \$19,553 toward the cost of this project.

Projects are to follow the terms and conditions outlined in the Program guidelines, and a final report including proof of expenditures must be submitted within 60 days of project completion.

Please refer to the attached Agreement for more information on the terms and conditions of the funding approval. If you accept this offer, please sign the Agreement and send to the program email listed below.

Upon receipt of the signed Agreement, an advance of 50% of this grant will be sent to you. The balance of the funding will be delivered upon satisfactory completion of the project.

The Department is coordinating a public program announcement and may reach out to you during that process. In the interim, I would ask that you keep the funding information confidential until such time as the public announcement occurs.

Should you have any questions, please contact Eva Mooers, Senior Engineer at friip@novascotia.ca.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Lohr".

Honourable John A. Lohr
Minister
