Dear Kim:

RE: FRIIP – McKenzie Court Cross Culvert Replacement Project

Thank you for your application under the Flood Risk Infrastructure Investment Program (FRIIP) for funding for the McKenzie Court Cross Culvert Replacement project.

As requests for funding are significantly greater than the Flood Risk Infrastructure Investment Program budget, regrettably we are unable to provide support for the Municipality's McKenzie Court Cross Culvert Replacement project at this time.

Should you have any questions, please contact Ahmad Shahwan by email at Ahmad.Shahwan@novascotia.ca

Sincerely,

A handwritten signature in blue ink, appearing to read "Ahmad Shahwan".
