The Committee held its regular meeting on December 14, 2021 in Council Chambers. The following motions are coming forward as a result of the meeting:

### 1. [VON - COMMUNITY PARTNERSHIP FUND 2021/2022](#)

This report brings forward VON Colchester East Hants' report for the 2021/2022 year and seeks Council's direction on the disbursement of Community Partnership Funds since deliverables were not achieved.

Council's approved \$10,000 for VON Colchester East Hants in the 2021/2022 expenditures for Community Partnership Fund, contingent on number of deliverables (respite hours) completed through their Adult Day Program (ADP). Their original application suggested their East Hants program would complete 3,000 respite hours. This past year they completed 2,496 hours.

This would be the third consecutive and final year that VON Colchester East Hants receives Community Partnership Funding in the amount of \$10,000. VON has secured other sources of funding for their ADP going forward and will not be reapplying for Community Partnership Funds in 2022/2023.

This has been reviewed by the Staff Grant Committee.

The Parks, Recreation and Culture Committee recommends that ***Council approve the disbursement of \$10,000 from the Community Partnerships Fund to VON Colchester East Hants.***

***As Chair of the Committee, I so move.***

**As Chair of the Committee, I move the adoption of this report.**
