**Warden:** Councillors, this evening we have one item on the public hearing agenda.

The purpose of this hearing is for Council to hear input from the public, prior to making a decision on the proposal.

To the members of the public who have chosen to participate this evening, welcome. Please note that Council's Procedural Policy requires that you not cheer, boo, clap or otherwise disrupt this hearing. Anyone who wants to comment or ask questions will be provided an opportunity to do so.

Tonight, Council may approve, reject or defer its decision on the proposal to a later date. Council approval is required for the proposals to proceed.

I will now ask the Municipal Clerk to outline when the public hearing advertisements were published.

**Clerk:** Madam Warden, a public hearing notice appeared in the December 8th and 15th editions of the *Chronicle Herald*. The notices described the proposal, gave the date and time of the public hearing, and indicated that Staff Reports were available to the public.

I would now ask the Chair of the Planning Advisory Committee to present his report.

**PAC Chair:** Planning Advisory Committee has considered the proposal on behalf of Municipal Council. The Committee has reviewed staff's reports, completed their evaluation, and will make a recommendation to Council during this Hearing.

As Chair of PAC, I so move.
