

**NEW EMPLOYEE INTRODUCTION – January 2022**

**Brittney McDonnell, Aquatics Supervisor**

Brittney has worked with the Municipality in various roles for Parks, Recreation and Culture starting as a Day Camp/Program Lead in 2017. In 2020, Brittney completed her lifeguard training and has since worked as a Lifeguard, Swim Instructor, Aquatics Team Lead and Customer Service Representative and now the new Aquatics Supervisor at the East Hants Aquatic Centre.

Known for her creativity Brittney has also been the “interior decorator” of the Aquatic Centre – creating different themes for the main lobby based on the seasons.

We look forward to having her creative energy with us full time at the East Hants Aquatic Centre as we enter 2022 and we are sure her contributions will continue to shape the community hub we all enjoy.
