Municipal Council  
Municipality of East Hants  
15 Commerce Court, Ste 170  
Elmsdale, NS  
B2S 3K5

Dear Council,

The Lantz and Elmsdale fire departments respectfully request a change in the fire boundaries in the area of Highway 102 around the new Exit 8A in Lantz. Currently, this section of highway falls within the Elmsdale fire boundary; however, given the access via Exit 8A we request the boundary be amended to be included in the Lantz fire boundary.

The Municipality has confirmed that there is no impact to dwelling units or associated fire levy rates as a result of the change.

Thank you for considering this request.
