

First Reading - Bylaw P-900-1, an Amendment to Bylaw P-900, Building Bylaw
Councillor Wayne Greene, Chairperson of Planning Advisory Committee

The Project Planner presented a report titled “*Proposed Amendments Bylaw P-900, Building Bylaw: Protective Construction Fencing*”, dated January 11, 2022 at the January 18th, 2022 Executive Committee meeting.

The Planning Advisory Committee recommended an additional staff report to come forward at a future meeting and an update specific to a location on Highway 2, Enfield which will be provided later in this meeting. The Planning Advisory Committee also agreed to proceed with first reading of bylaw amendments.

The Planning Advisory Committee recommends that Council gives first reading to Bylaw P-900-1, an amendment to Bylaw P-900, Building Bylaw to regulate protective construction fencing.

As Chair of the Planning Advisory Committee, I so move.
