Subject: Code of Conduct Consultation - Sanctions and Investigator

Sent on behalf of Mayor Mood, Chair of the Code of Conduct Working Group

Good Morning Mayors/Wardens and CAOs,

The Code of Conduct Working Group (COCWG) is pleased to announce a second round of consultations on the code of conduct. This round will focus on sanctions that can be imposed if there is a breach of the code, and options related to the investigator model process. We are sharing this information in advance with Mayors/Wardens and CAOs and trust that this information will be brought forward to the Council table so that all elected voices have an opportunity to share thoughts as we move forward with this very important topic.

In order to ensure a robust discussion during consultation, the COCWG is providing elected officials and senior administrators with the proposed sanctions and options in advance for their review. The attached document provides an overview of what will be discussed during consultations.

To maximize the amount of feedback the COCWG can receive, there are going to be virtual and in-person consultation sessions. Although the virtual sessions are listed by region, the COCWG encourages elected officials and senior administrators to attend as many sessions on whichever dates best fit their schedule.

Please [register, using this link, for which consultation session](#) you plan to attend and invitations will be sent to your email address. The details for the consultation, including the virtual links and locations will be shared with the invitations. If you are unable to attend any of the proposed sessions, or should you have any questions about the consultation please email dmah-consultation@novascotia.ca.

NSFM and AMANS will be sending out this information to the entire membership shortly.

We look forward to hearing your feedback on the code of conduct.

Sincerely,

Mayor Mood
Code of Conduct Working Group Chair
