**Re: Centre Rawdon Community Hall**

In follow up to a community meeting held in November 2022, Municipal staff would like to invite residents to the Rawdon District Fire Hall for further discussion.

As many are aware, the Centre Rawdon Hall was deemed irreparable when a commercial vehicle drove into the structure causing extensive damage. Following an initial meeting to hear thoughts from the community on the future of the site, staff have more information related to the situation and options to move forward.

A meeting has been scheduled on February 8, 2023 at 7:00 pm at the Rawdon District Fire Hall. This is an open invitation where the Municipality will provide an update.
