March 8, 2023

Dear Kim,

We write today on behalf of the 2023 AMANS Spring Conference Planning Committee. The 2023 Spring Conference will be hosted by the Colchester-East Hants region from June 14 – 16 at the Inn on Prince and Conference Centre in Truro, Nova Scotia.

The committee is working hard to create an agenda with relevant, informative and engaging topics for our municipal representatives from across Nova Scotia. This year's conference focuses on the importance of networking and employee recruitment and retention. The Spring Conference provides AMANS members with opportunities for professional development, networking, and fun social events with municipal colleagues. Through our years of experience hosting conferences for our members, we are confident the 2023 Spring Conference will be a success.

A key factor in conference success comes from the generous support of the hosting region each year. The financial support we have received in the past has helped AMANS keep registration costs down, which makes our events more inclusive and accessible to all members.

We are asking if the Municipality of East Hants is able to support the AMANS 2023 Spring Conference by contributing \$3000. Your contribution will be used by AMANS to put on an informative, engaging, and valuable event for our delegates.

Thank you for your consideration.

Sincerely,

Aundrea Currie

Aundrea Currie
Chair, 2023 Spring Conference Committee
