RE: **Fire Advisory Committee Report to Municipal Council**

The Committee did not meet this month. A recommendation for recognition has been received from Elmsdale Fire and Emergency Services. Rather than wait for the next meeting in June, the Committee agreed via email and unanimously supported the recognition and to move this request forward to Council for decision:

1. [RECOGNITION FOR SUPPORT OF FIRE DEPARTMENTS](#)

Chief Goodman, on behalf of his department, has recommended that Council recognize Leno Ribihi for supporting the department by donating food, ice and supplies when needed, and allowing the department to get what they need from his store anytime and return later to pay.

Move that Council recognize Leno Ribihi for supporting Elmsdale Fire and Emergency Services through the donation of food, ice, supplies and credit at his store.

As Chair of the committee, I so move.

As Chair of the committee, I move the adoption of this report.
