

Date: March 29, 2023
To: Municipal Council
cc: Kim Ramsay, Chief Administrative Officer
From: Councillor Tingley, Corporate and Residential Services Committee Vice-Chairperson
RE: **Corporate & Residential Services Committee Report**

The Committee held its regular meeting on March 21, 2023 in Council Chambers. The following motions are coming forward as a result of that meeting:

1. ACCEPTANCE OF DONATIONS POLICY

The 'Acceptance of Donations Policy' addresses how the Municipality accepts and manages donated funds and gifts. This Policy update only requires housekeeping changes, with one proposed amendment to increase the size of donation eligible for a tax receipt. Committee decided to maintain the eligibility value at \$20.00.

The policy has been updated to include the caveat from the Corporate & Residential Services Committee to maintain the value at \$20.00. It is attached to the Council agenda dated March 29, 2023.

The Corporate & Residential Services Committee recommend to Council *that Council approve the Acceptance of Donations Policy as attached to the Executive Committee agenda dated March 29, 2023.*

As Chair of the Committee, I so move.

2. SPORTSPLEX FACILITY CONDITION ASSESSMENT

In June 2022, East Hants awarded the facility condition assessment project to Dillon Consulting as part of the larger corporate asset management consulting services contract, RFP50475. The Facility Condition Assessment was completed by a team consisting of an electrical engineer, mechanical engineer, structural engineer, architect, and quantity surveyor/cost estimator. Fieldwork was conducted in September 2022. The assessment was limited to visual observations made via a non-intrusive review of the interior and exterior of the facility

The Corporate & Residential Services Committee recommend to Council *that Council receive as information the Facility Condition Assessment for the East Hants Sportsplex dated December 8, 2022 and as updated January 30, 2023.*

As Chair of the Committee, I so move.

3. TRANSIT WORKSHOP DATE SELECTION

As part of the 2023-24 East Hants Business Plan, Economic and Business Development proposed a project to develop Council's vision and a potential plan for transit as a service in East Hants.

The Corporate & Residential Services Committee recommends to Council *to set the date for the transit workshop for May 18, 2023.*

As Chair of the Committee, I so move.

As Chair of the Committee, I move the adoption of this report.
