

REPEAL – COVID 19 PROPERTY TAX FINANCING PROGRAM POLICY

Councillor Michael Perry, Chairperson of Corporate & Residential Services

Staff recommended that the COVID-19 Property Tax Financing Program Policy be rescinded now that the program has reached completion and the property tax financing loans issued have been paid in full.

Council gave notice of intent to repeal the policy at the April 18, 2023 Council (Policy & In-Camera Meeting).

I move that Council, having given notice, give approval to rescind the Covid 19 Property Tax Financing Program Policy.
