Re: Sustainable Services Growth Fund (SSGF)

Dear Minister Lohr,

On behalf of East Hants, I'd like to extend our thanks and appreciation to the Province for the grant of \$1,123,728 to support infrastructure investments in our community under the new Sustainable Services Growth Fund (SSGF), as outlined in your letter dated March 31, 2023.

I can assure you that our growing community will be able to use the funds and what a significant impact this will make in the lives of those living in East Hants.

Thank you again!

Best regards,
