RE: 2023 Nova Scotia Library Association Conference Sponsorship

Dear Warden Roulston,

At Colchester-East Hants Public Library, we've empowered, enriched, and inspired the communities of Colchester and East Hants for over 70 years.

We are excited to be hosting the **2023 Nova Scotia Library Association Conference**. It will be held October 20-22 at the Inn on Prince Hotel and Conference Centre Truro. We host this conference approximately every 9 years on a rotating basis with other regional libraries.

The theme for this year's conference is **TRUE GRIT**. We are planning a great mix of professional development for approximately 175 library staff and community-based board members from across the province.

Please visit our conference website to learn more:

<https://www.nsla.ns.ca/conference>

Support is currently being sought in preparation for the conference and we are respectfully requesting that each municipality in Colchester-East Hants, as the host region, contribute a sponsorship to go towards the food and entertainment for the Friday evening reception, which will be held at the Truro Library. In this role, your municipality would provide sponsorship at a Gold, Silver or Bronze level and in turn we would promote your municipality as an official sponsor (see attached guide for details).

**Public
Library** | Colchester-
East Hants

As well, you will be invited to attend the Friday evening festivities and bring greetings on behalf of your municipality. We would be pleased to provide more details regarding the festivities to your office closer to the conference.

Thank you in advance for your consideration of this request. If you have questions or require further information, please contact me at (902) 896-4196 or tbartlett@cehpubliclibrary.ca.

Sincerely,

Tiffany Bartlett
Chief Executive Officer, Colchester-East Hants Public Library
President, Nova Scotia Library Association
