Re: Recreation Facility Development Program & Rink Revitalization Stream

Dear Minister Dunn,

On behalf of East Hants, I would like to extend our appreciation to the Province for Recreation Facility Development Program grants received in the amounts of \$38,491.92 to support inclusive elements to three playground installations and \$27,795.70 to assist with capital upgrades to the East Hants Sportsplex.

Supporting recreational investments in our growing community will have a significant positive impact in the lives of those living in East Hants.

Thank you again!

Best regards,
