Dear Mr. Lemal,

The Municipality of East Hants would request that NS Public Works complete focused maintenance efforts to improve the condition of Lakecrest Drive in Mount Uniacke, which is a provincial gravel road.

As per Council Motion C23(166), Staff were instructed to make this official request in response to several correspondences received from local area residents, who are feeling frustrated with the road surface conditions.

Your attention on this matter would be appreciated and the Municipality of East Hants looks forward to working with your team on this item and other opportunities for improvement as they arise.

Sincerely,

A handwritten signature in blue ink, reading "Jesse Hulsman".
