

## **New Employee Biographies – June 2023**

### **Tamara Marshall, Revenue Coordinator**

Tamara Marshall joined us as Revenue Coordinator on May 11, 2023. She comes to us most recently from Chignecto Central Regional Centre for Education where she held several positions, most recently as Head Clerk of Payables/Receivables, but prior to that held the roles of Purchasing Clerk, Human Resources Administrative Assistant/Clerk and Payroll Clerk. With a portfolio of skills in payables, receivables, team leadership and payroll we are thrilled to have Tamara as part of our team.

### **Louise Andrews, Planning and Development Technician**

Louise Andrews joined us on June 12, 2023 in the position of Planning and Development Technician. Louise is a lifelong resident of East Hants and comes to us from the Halifax Regional Municipality where she worked most recently as a Transit Planning Technician, and previous to this a Traffic Data Technician. Louise holds a Diploma of Geographic Sciences with a concentration on remote sensing from NSCC's Centre of Geographic Sciences and is skilled at using GIS for data management, analysis and visual representation. We're pleased Louise has decided to join our team.

### **Jesse Beecroft, Water and Wastewater Operator**

Jesse Beecroft joined us as Operator on our Water and Wastewater team on June 13, 2023. Jesse has just relocated to Nova Scotia from Kamloops BC to support our operations. He holds a Diploma in Water and Wastewater Technology from Thompson Rivers University and has worked for the Comox Valley Regional District supporting their water treatment facility. We're excited that Jesse chose to join our East Hants team.
