**Subject:** CN Letter regarding Culverts

Good afternoon Jesse,

Thank you for providing the following information regarding CN culverts in East Hants and requesting CN conduct a review of culverts in the area following the flooding we had last month. I just wanted to let you know that I have followed up on this with my contact at CN and they have sent your letter to the head of CN Eastern Division and they will check on if the review of these culverts has taken place or will be taking place in the near future and they will provide written correspondence back to you if they have not already done so.

Please let me know if you need anything else on this, I am always happy to help.

Thanks,

*Josh Hilton, Parliamentary Assistant*
