

Sustainability Coordinator

Are you passionate about creating a sustainable future and want to make a big impact in a growing community? If you are, East Hants is the place to be!

The Municipality of East Hants is an employer of choice offering diverse career growth, modern facilities, a fun and innovative continuous improvement culture, and a Flexible Work policy to promote work-life balance. The main Municipal office is located at the Lloyd E. Matheson Centre in Elmsdale, NS.

We are recruiting a Sustainability Coordinator to join our team.

The Sustainability Coordinator will research, identify, and recommend sustainability initiatives and opportunities for the Municipality, manage the application process for sustainability-related funding programs and grants, and coordinate community programs related to green and sustainable initiatives.

Qualifications:

- Bachelor's Degree in Environmental Science, Environmental Studies, Planning, Business, or a related field.
- 3 years of related experience; experience in the public sector would be an asset.
- Equivalent combination of education and experience will be given consideration.
- Thorough understanding of climate change issues and sustainable development within the context of municipal government.
- Ability to prepare written proposals and reports that consider risks, opportunities, and recommendations; Demonstrated experience presenting proposals and reports to a wide variety of audiences.
- Experience conducting comprehensive research and analysis, including policy and legislative interpretation.
- Comfortable working independently on research projects, and providing recommendations on a wide range of topics and issues.
- Self-starter with excellent organizational and time management skills to meet the challenges of a busy work environment.
- This position may be required to attend evening meetings which would qualify for overtime pay.
