Subject: FW: [ea] Mount Uniacke Quarry Expansion - Suspension of Environmental Assessment

Please post.

Council,

The Minister has paused the environmental assessment of the Mount Uniacke Quarry Expansion. This came the day after a large blast was felt several kilometers away from the site. If we hear anything else I will have Jesse pass it along. Your letter has been sent.

Regards,
Kim

Subject: [ea] Mount Uniacke Quarry Expansion - Suspension of Environmental Assessment

This is to advise that on October 6, 2023, the Minister of Environment and Climate Change suspended the environmental assessment of the Mount Uniacke Quarry Expansion in accordance with Section 34(5) of the Environment Act. When the Minister is satisfied Northumberland Capital Corporation Inc. is in compliance with the Environment Act and Regulations, the EA process will resume.
